

# All-U Series Mics

The All-U Karaoke Mic is the perfect solution for those that want to practice their vocal tracks without disturbing others and the All-U Karaoke FM Mic is meant for those that want to perform as well as practice. Each All-U Mic includes an 1/8"-to-USB cable to allow apps on your tablet or smartphone device to stream karaoke content over the Internet. You can use any karaoke app, even YouTube, to choose and perform thousands of karaoke tracks; some apps even record your performance!

Both the All-U Karaoke and All-U Karaoke FM mics have 1/8" stereo outputs to hear the audio mix on a set of headphones, or connect to any powered speaker for some party fun. But only the All-U Karaoke FM Mic has the built-in FM Transmitter that sends the audio out to a car radio to make road trips fun!

Whichever your situation may be, VocoPro has what you need to perform at your best, so pick up an All-U Series mic today!
